OSR Plenary Session

Restoring Health Care for the Public Good

This session will address the following questions: What would the repackaging of health care, research, and medical education as a public good look like? What political, financial, or ideological hurdles must be overcome to move health care, research, and medical education into the realm of a public good? How do we maintain high quality in health care, research, and medical education in a system repackaged as a public good?

Moderators:

Erick Cheung, MD
Katherine Iossi

Speaker:

Fitzhugh Mullan, MD

3:00–4:45

Marriott • Coolidge
