GREAT Group Meeting
October, 2008

Association of
American Medical Colleges

VCU Center on Health Disparities

- **Coordinated Partnership** – links and administrative units on both VCU Campuses, the VCU Health System, the Richmond community and regional institutions serving disadvantaged populations academic
- **Four Activity Foci** – Workforce Diversity, Research/Grant Opportunities, Access to Healthcare, Education/Training

VCU Center on Health Disparities

- **Research Career Benefit** – Added outreach to student populations, awareness of health sciences colleagues and administrators, access to resources, assistance in program and support requests
- **Pipeline Networking** - Expanded and shared awareness of enrichment activity
