

**Supplemental Table H: Average Age of Full-time Faculty and Chairs by Gender, Rank, and Department Type, 2020**

The table below displays the average age of full-time faculty and department chairs at all U.S. medical schools as of December 31, 2020 by gender, rank, and department type. The "Chair" breakout is not mutually exclusive from the faculty rank breakouts—each chair is also counted in the breakout associated with their faculty rank. As an example, a chair who holds a full professor appointment will be counted once in the "Chair" breakout and once in the "Professor" breakout.
