

Customizable AAMC Data for Urology Programs

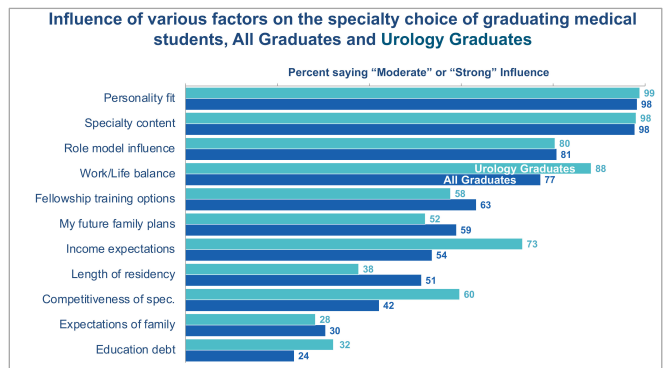

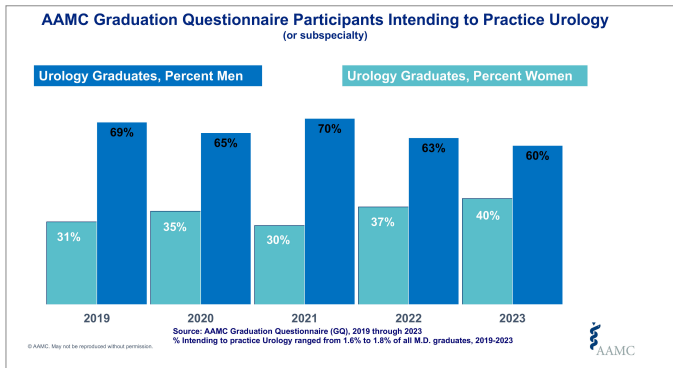

At the center of the transition to residency ecosystem, the AAMC is uniquely positioned to provide comprehensive and customizable data to our institutional partners to support their strategic planning.

The charts below provide a sample of the vast data available for urology programs through the AAMC.

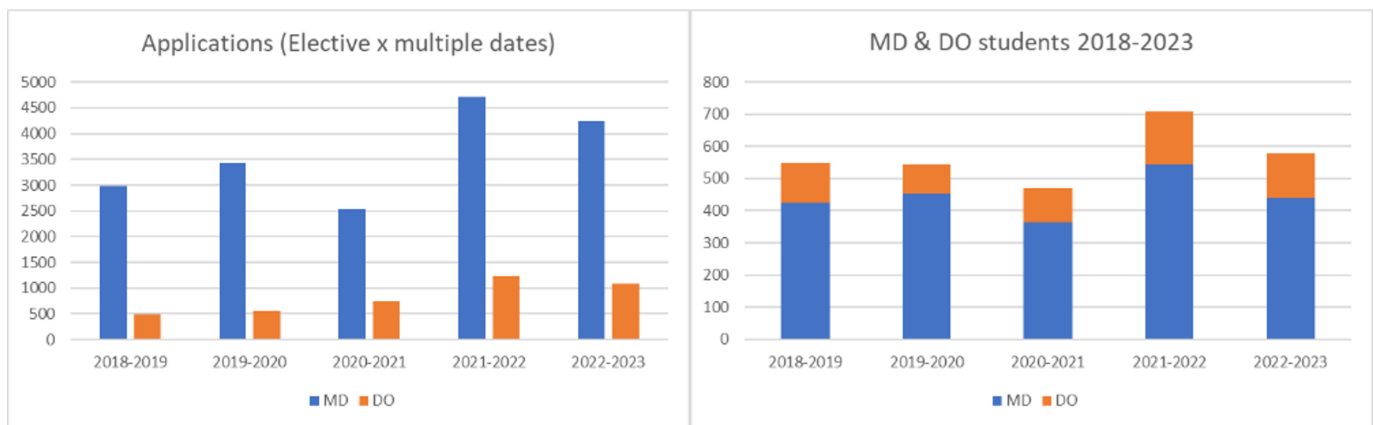

AAMC UROLOGY DATA, a sampling

AAMC Graduation Questionnaire (GQ) Data

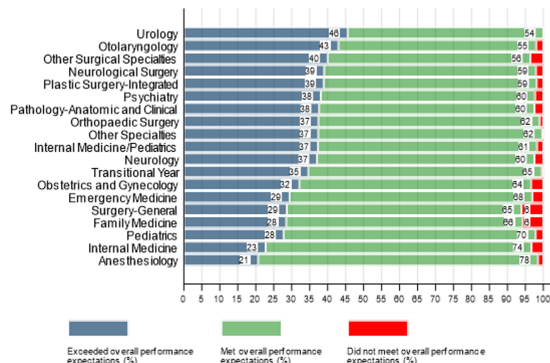

Away Rotation Data (VSLO)

Urology away rotations available: ~200 Urology rotation hosts: 115

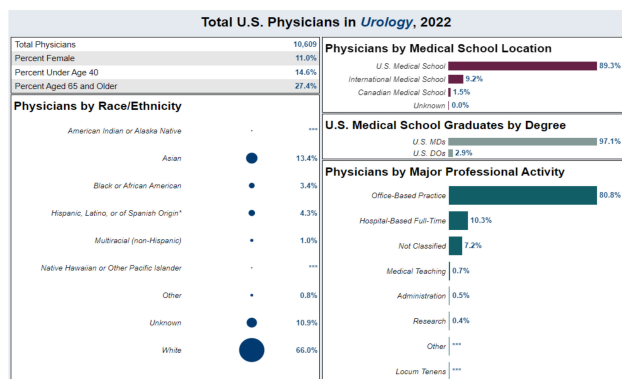

AAMC Resident Readiness Survey Data

During the transition to GME (0-6 months of PGY-1 year), did this resident meet overall performance expectations?

Urology had the highest percentage of PGY-1 residents who "exceeded" overall expectations

AAMC US Physician Workforce Data

The comprehensive, customizable data above is one part of the AAMC's commitment to provide exceptional value to the ERAS community. In addition to data, the ERAS program offers significant product enhancements, reduced fees to students, while the AAMC continues to offer essential support services such as AAMC Careers in Medicine and the VSLO® program. For unparalleled value, the ERAS program is the best choice. Visit: aamc.org/eras-future-in-focus
