AAMC-AACOM Curriculum SCOPE Survey	AACOM Annual Survey
Time	
16. Please indicate the number of weeks in each year of the curriculum: (Year 1, Year 2, Year 3, Year 4)	5.3. Curriculum Length: Indicate total number of weeks for each year of the DO curriculum (exclude vacations and holidays) for academic year. (First Year, Second Year, Third Year and Fourth Year)
17. How many weeks of elective/selective time were available to students during the following years? (Year 1, Year 2, Year 3, Year 4)	5.10. Electives: How many weeks of elective time are available in the following years? (First Year, Second Year, Third Year and Fourth Year)
18. What was the maximum number of weeks a student who is enrolled in your medical school can spend taking electives at another medical school?	5.10. Electives: Maximum number of weeks a student can spend taking electives at another institution
Clinical Clerkships	
27. Please indicate the total number of weeks for all required clinical clerkships at your medical school.	5.7-3. Clinical Clerkship Summary: Indicate the number of weeks for clerkships this academic year at your school. Weeks of required clinical clerkships. NOTE: PLEASE STILL SUBMIT DATA FOR SELECTIVE/ELECTIVE CLINICAL CLERKSHIPS for the 2023-24 Annual Survey.
28. In what year did medical students begin their required clinical clerkships? (Year 1, Year 2, Year 3, Year 4)	5.7-3. Clinical Clerkship Summary: In what year do your students typically start their clinical clerkships? (Options: Not Applicable, First, Second and Third)
29. In what month did students begin required clinical clerkships? (January, February, March, April, May, June, July, August, September, October, November, December)	5.7-3. Clinical Clerkship Summary: In what month do your students typically start their clinical clerkships (Not Applicable, January, February, March, April, May, June, July, August, September, October, November, December)
30. Were the following required or not required before students began clinical clerkships? (Data are classified as Confidential) (One attempt on COMLEX Level 1/USMLE Step 1/COMSAE; Passing score on COMLEX Level 1/USMLE Step 1/COMSAE; Passing grade on all pre-clerkship courses)	5.7-5. Test Prep/External Curricular Resources: Are students expected to meet the following requirements prior to beginning clinical clerkships? (Options: Pass COMLEX, Take COMLEX, Take COMSAE, Evaluated by COM faculty)
31. Please list any other academic requirements students must meet before beginning required clinical clerkships.	5.7-5. Test Prep/External Curricular Resources: Explain the student requirements to: (Pass COMLEX, Take COMLEX, Take COMSAE, Evaluated by COM faculty, etc.)
32. Was there an online/distance learning component for required clinical clerkships at your medical school? (Yes, No, Unsure)	5.7-3. Clinical Clerkship Summary: Does your school have an online/distance component for clinical clerkships? (Yes/No)

QUESTION MAP: AAMC-AACOM Curriculum SCOPE Survey and AACOM Annual Osteopathic Medical School Questionnaire (Annual Survey)

The AAMC-AACOM Curriculum SCOPE Survey currently collects data for the 2022-23 academic year. Please provide the data you submitted for the 2022-23 Annual Survey. *IMPORTANT: Although the AAMC-AACOM Curriculum SCOPE Survey currently collects data for the 2022-23 academic year, you are NOT REQUIRED to submit data for corresponding questions mapped below from the AAMC-AACOM SCOPE Survey and the 2023-24 AACOM Annual Survey.*

AAMC-AACOM Curriculum SCOPE Survey	AACOM Annual Survey
33. Which components of the required clinical clerkship(s) used an online/distance learning method? (Select all that apply.) (Teaching sessions (lectures, cases), Clinical case logs, Testing/examinations, Other, Not applicable)	5.7-3. Clinical Clerkship Summary: If "Yes" elect all the online/distance component(s) that apply: (Not applicable, Testing, Logs, Educational (lectures, cases), Other)
Other Clinical Experiences (excluding required clinical clerkships)	
39. Did your medical school require a longitudinal clinical continuity of care experience? (Yes, No, Unsure)	5.2. Clinical Experience: Are students required to participate in a longitudinal clinical continuity of care experience (Clinical experience in which students individually or as part of a team provide continuous health care to a patient or a consistent group of patients)? (Options: Yes/No)
40. In what year did your medical school's required longitudinal clinical continuity of care experience begin? (Year 1, Year 2, Year 3, Year 4)	5.2. Clinical Experience: What year is the continuity of care experience open to students? (Options: Not Applicable, First, Second, Third)
41. How many weeks was the required longitudinal clinical continuity of care experience?	5.2. Clinical Experience: For how many months is the required continuity of care experience? (round to the nearest month)
43. Did your medical school require a clinical rotation in a rural community? (Yes, No, Unsure)	5.7-1-2. Rural or Underserved Rotations: Does your school have a requirement for a clinical rotation in a rural or underserved community?
45. How many weeks was the required clinical rotation in a rural community?	5.7-1-2. Rural or Underserved Rotations: If "Yes," what is the minimum number of weeks for the required rotation(s)?
47. Did your medical school require a clinical rotation in an underserved community? (Yes, No, Unsure)	5.7-1-2. Rural or Underserved Rotations: Does your school have a requirement for a clinical rotation in a rural or underserved community?
49. How many weeks was the required clinical rotation in an underserved community?	5.7-1-2. Rural or Underserved Rotations: If "Yes," what is the minimum number of weeks for the required rotation(s)?
